To: Federal Elections Commission

From: Michael H. Carnahan

Regarding: Changes in information on FEC FORM 1
FEC ID # C00310904

Please remove my name from your records both as the Custodian of Records and as the Assistant Treasurer for the Brian Baird for Congress Committee. I have not had any contact with the records since March 26, 1998. I waited several days while we tried to find a solution before writing this letter. As a volunteer, this role became much more time consuming than I had ever expected.

Thank you for your assistance in this matter.
